**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Thank you for considering my email. I have had nothing but bad service and trouble with both Comcast and ATT. The internet was slow and intermittent, and they hassled me with calls and bad service.

I need broadband for so many things, as I trade the market and use it for home schooling my son.

Local broadband providers, like Sonic, deliver excellent service along with better internet. Please say not to price hikes that increase the cost of internet. These large corporations have massive profits already.

Thank you again for your kind consideration of this matter.
